

Development Pathways

Every person at Lady of the Vale plays a vital role in ensuring our residents are happy, well cared for and feel at home during their time with us.

That's why we invest in each member of our teams to provide the support, training and qualifications needed to ensure you can be the best you can be for our residents.

Learning & Development

From day one you will begin your personal development journey with us. Through a combination of blended learning techniques such as face-to-face training, virtual workshops and video-based e-learning, we will help you gain new skills and knowledge that will give you the ability, confidence and compassion to deliver outstanding care.

Coaching & Support

We are very proud of the many ways in which we support our teams to reach their full potential - the success of which is clearly reflected in our focus on internal promotions, progress and people staying with us.

From Apprentices earning permanent positions to carers working their way up to Home and Regional Manager positions; we recognise the importance of progression and investing in your future. That's why you'll have a great induction and mentor when you start with us and access to additional support coaching should you need it.

Apprenticeships & Qualifications

We encourage you to advance your qualifications and apprenticeships to further enhance your learning and understanding of your role. We support apprenticeships and qualifications for all our roles including from Level 2 to Level 5 in Adult Social Care related courses.
